Jubilee Day

WE NEED YOUR HELP!!!

The 94th edition of the largest, longest running one-day street fair is June 20. This is the largest event that the Chamber produces and it cannot be done without your help. We have the assistance of a number of loyal volunteers, but we could use a few more hands. If you have a few hours that day to help out, it would be very much appreciated. Be a part of a Mechanicsburg tradition that is the highlight of the community. Please contact the Chamber office to let us know when you would be available.

Report Potholes to PennDOT

While it's always great to welcome the spring thaw, it also brings with it more potholes on our roads and bridges. Extreme fluctuations in temperatures can contribute to more potholes on our roads.

To help combat potholes and prevent them from becoming a danger to vehicles and drivers on the road, you can report potholes to PennDOT. Simply call 1-800-FIX-ROAD or [click here to file a report online](#).

The poster features a red background with faint food icons. At the top, the text "Third Friday" is written in a cursive font, followed by "FOOD TRUCKS" in large, bold, white letters. Below this is a stylized illustration of a yellow food truck. A black circle next to the truck contains the text "4:30-8 p.m.". Below the truck, the dates "APRIL 19 ▪ MAY 17 ▪ JUNE 21 ▪ JULY 19" and "AUG. 16 ▪ SEPT. 20 ▪ OCT. 18" are listed. At the bottom, there is a brown section containing the church logo, address, phone number, website, and a QR code. A black banner at the very bottom contains the text "MULTIPLE TRUCKS /// VARIETY OF FOOD".

Check Out the Revamped 511PA

The Commonwealth’s free, statewide travel information service – 511PA – has been upgraded with a new website, mobile app and phone system to make it more user friendly.

Operated by PennDOT and the PA Turnpike, 511PA provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras. It is available online via its website, 511PA.com; through smartphone apps; by dialing 5-1-1; or following regional X alerts.

Users can sign up for personalized travel alerts on the website. Current 511PA personal-alert subscribers need to create a new account in the updated system and set up their preferences to continue receiving alerts. A transformed 511PA app is part of the new system, so users will need to update their Apple or Android app to access the latest version.

THE FOUNDATION FOR ENHANCING COMMUNITIES

The Foundation for Enhancing Communities Launches “Together We Take Action” Funding Program for June

The Foundation for Enhancing Communities (TFEC) is helping local nonprofits with the launch of their funding program “Together We Take Action.”

TFEC provides simple, effective, and personalized services to help donors achieve their charitable goals and create a lasting impact in their communities.

The “Together We Take Action” program, which runs throughout the month of June, gives donors a chance to contribute to nonprofit organizations’ partially-funded grant requests in Cumberland, Dauphin, Franklin, Perry and York counties. Participating organizations have been reviewed by an independent committee and received partial funding for their grant request. TFEC has created an online grant catalog that provides a connection between TFEC, local nonprofit organizations, and donors so we can take action – together.

“With the help of generous donors to our ‘Together We Take Action’ funding program, the participating nonprofits’ grant requests can be fully funded,” said Caitlin Cluck, Director of Community Investment, of The Foundation for Enhancing Communities. “These projects are vetted and will make a difference in the lives of our neighbors in Central Pennsylvania.”

To make a donation to any of these projects, or learn more about the participating nonprofit organizations, visit [TFEC’s website](#).

The last day to donate is June 30.
