THE FOUNDATION FOR ENHANCING COMMUNITIES

The Foundation for Enhancing Communities Launches “Together We Take Action” Funding Program for August

The Foundation for Enhancing Communities (TFEC) is launching the next phase of its “Together We Take Action” program, which supports local, partially funded projects from nonprofits. This initiative not only provides crucial funding to these organizations, but also helps donors achieve their personal charitable goals. By connecting donors with impactful opportunities, TFEC makes it easier for them to contribute to a stronger and more vibrant community.

“We’re excited for the next chapter of ‘Together We Take Action’,” said Jennifer Doyle, President & CEO of TFEC. “It’s a great chance to support local nonprofits and make a real difference in the community around us.”

The “Together We Take Action” program, which runs throughout the month of August, gives donors a chance to contribute to nonprofit organizations’ partially funded grant requests in Cumberland, Dauphin, Franklin, Perry and York counties. TFEC has created an online grant catalog that provides a connection among TFEC, local nonprofit organizations and donors so we can take action — together.

“Our program is all about simplifying the giving process and maximizing the impact of every donation through shared support of local projects,” said Doyle.

THE FOUNDATION FOR ENHANCING COMMUNITIES

TFEC PROMOTES JESSICA GRAYBILL TO DIRECTOR OF MARKETING & COMMUNICATIONS AND HIRES NEW ASSOCIATE

The Foundation for Enhancing Communities (TFEC) is pleased to announce that Jessica Graybill has been promoted to Director of Marketing & Communications with new hire John Gillespie joining the team as the Marketing and Communications Associate.

Jessica was promoted from her previous position as Interim Marketing & Communications Officer to Director of Marketing & Communications on June 11, 2024. She began at TFEC in December 2022 as the Marketing & Communications Associate.

Jessica earned her BA in Communication/Journalism from Shippensburg University. She is a 2021 graduate of the Leadership York Leadership Training Program and currently serves as the Secretary for the Board of Directors for the York County Children's Advocacy Center.

Her degree propelled Jessica into a journalism career post-grad as a Legislative Reporter. Jessica made the switch to the nonprofit communications field in 2019 and in her most recent position before TFEC she served as the Marketing & Communications Director for YWCA York.

Jessica has moved into the Director of Marketing & Communications role and oversees and provides editorial direction and management for core TFEC communications.

John Gillespie joined the team as a Marketing & Communications Associate in June 2024. John graduated from the University of Pittsburgh (Pitt) in May 2024 where he studied Marketing and Public Writing. He's had previous experience as a copywriting intern for Pitt's Honors College and worked in UPMC's Internal Communications department. John will help carry out the department's vision by creating a social media plan, coordinating special events, and assisting with various projects.

"TFEC is thrilled to have such passion and expertise in our Marketing & Communications department. Jessica has provided much needed structure & planning as we continue to move our mission forward. She was instrumental during a period where the department was down a team member. John has jumped right in with both feet and has created amazing social media content that we are so excited to share with you," said Jennifer Doyle, President & CEO.
