Downtown Mechanicsburg Partnership selects **Dr. Jayne Drake** as the **2024 Person of the Year**

The Downtown Mechanicsburg Partnership is pleased to announce Dr. Jayne Drake as the 2024 recipient of its Mechanicsburg Person of the Year award.

This award is given annually to a Mechanicsburg resident or businessperson in recognition of an overall record of service to the community. The recipient is someone who has freely provided leadership, dedication, inspiration, and generosity for the benefit of Mechanicsburg.

Dr. Drake was selected for her exceptional contributions to Mechanicsburg in volunteer and leadership positions. Over the past seven years, she has relentlessly dedicated her time and experience in service to Mechanicsburg's business and economic development initiatives and to the RENAISSANCE Mechanicsburg Revitalization Project. As past President of the Partnership and current Executive Director of RENAISSANCE Mechanicsburg, she has spearheaded the expansion of the Partnership's reach and influence in the Borough and brought life and major funding to a three-phase revitalization plan that has the capacity to power Mechanicsburg into a more prosperous and re-energized future.

"What a complete surprise and humbling experience to be selected as The Partnership's Person of the Year awardee this year. The advancements we are making now in our charming town and the advancements yet to come are a result of the selfless dedication and grit of those who have laid the path before us. This year the Downtown Mechanicsburg Partnership celebrates 20 years of serving the community by recognizing the people on whose shoulders we stand—the past presidents and board members—whose selfless volunteer efforts have accomplished so much in our community."

Jillian Biehl Morrison, President of The Partnership, had this to say about Dr. Drake as this year's honoree, "Dr Drake is the perfect choice for our 2024 Person of the Year. She exemplifies service above self. Her kindness and tenacity are legendary, and she is synonymous with, and passionate about revitalization in Mechanicsburg. You cannot think about the RENAISSANCE project without thinking of Jayne Drake and her enthusiasm, excitement, and tireless efforts. It has been an honor to work alongside her, and a thrill to see all of the hard work she has put in come to fruition. We are eternally grateful to Dr. Drake, and so fortunate to experience this revitalization with her."

Senator Mike Regan said of Jayne and this award, "I applaud the decision to name Jayne Drake Mechanicsburg Person of the Year. Jayne has been the driving force and has led the community charge to revitalize the Mechanicsburg downtown. She has shown exceptional leadership guiding the RENAISSANCE Mechanicsburg Revitalization Project and the Downtown Mechanicsburg Partnership. I've seen firsthand her commitment, which not only betters Mechanicsburg, but also enriches the entire 31st Senate District. Her impactful work and unwavering dedication to the RENAISSANCE Mechanicsburg project will be seen for years to come."

The **2024 Person of the Year Tribute Dinner and Dance** will be held on Wednesday, October 23rd, 2024, from 5:00 to 9:00 p.m., at the West Shore Elks Club.

Sponsorships and tickets are now on sale, and proceeds will support the ongoing efforts of The Partnership and RENAISSANCE Mechanicsburg - <https://bit.ly/4ecHE8n>

Digital POTS Replacement Solution

What's Changing and How TPx Can Help

In consideration of FCC order 19-72A1, service providers are no longer mandated to maintain copper POTS lines. With over 50,000 deployments, MetTel's adapters support one to eight Digital POTS replacement lines from a single device connecting over the customer's internet. Featuring error correction and packet loss detection, it ensures uninterrupted service by resending lost packets to prevent call failures. The solution includes an 8-hour battery backup and two cellular SIM cards for additional reliability. MetTel enables provisioning, porting, and installation, ensuring seamless integration. The solution is also certified for alarm lines by the National Fire Protection Association and the New York City Fire Department.

The Corporate Transparency Act

This is separate from tax filings with the IRS. Entities required to report include any entity created by filing a document with a secretary of state or any similar office under the law of a state or Indian tribe (i.e., Limited Partnership, Limited Liability Partnership, Limited Liability Company, Corporation, etc.). Penalties for willfully not complying with the BOI reporting requirement can result in criminal and civil penalties of \$500 per day and up to \$10,000 and/or up to two years of jail time.

UPMC Installs 'Hope Bell' for Those Facing Cancer in Infusion Centers Across Central Pennsylvania

The UPMC Pinnacle Foundation recently installed seven "Hope Bells" in UPMC Hillman Cancer Center infusion centers in central Pennsylvania, an alternative to the traditional end-of-treatment bell that allows patients to celebrate various miles in their journey, from regaining appetite to attending family events. The Hope Bell was conceptualized by Aleecia Munchel, BSN, RN, a UPMC infusion nurse, in collaboration with her late patient Barbara Gutshall, who passed away after a courageous fight with breast cancer.

"The Hope Bell gives voice to the small victories that mean so much to our patients," said Munchel. "It's a symbol of resilience and joy in the face of incredible challenges. The bell represents a milestone, a moment of triumph over adversity. It is a reminder that even in the toughest times, there is hope and strength within us all."

The Gutshall family funded the installation of the Hope Bell at UPMC Community Osteopathic in Harrisburg, where Barbara received her treatment. Inspired by the initiative, the UPMC Pinnacle Foundation further funded the installation of Hope Bells in all UPMC Hillman Cancer Center infusion centers across central Pennsylvania, extending the reach of this meaningful project.

*Hope Bell 1 – Don Gutshall with Aleecia Munchel

UPMC Community Osteopathic in Harrisburg*

Munchel was awarded the prestigious HOPE Award for 2023-2024 by UPMC.

A dedication ceremony was held at UPMC Community Osteopathic, honoring Barbara's memory and the generous donation from her husband, Don Gutshall. The event was attended by family, friends, and the UPMC Hillman Cancer Center infusion team.

"You are all the real heroes," said Don Gutshall. "For all that you do, for the countless hours you spend, and for the compassion you show to all those patients and families that you take care of, we are deeply grateful. Your efforts do not go unnoticed, and your impact is immeasurable. Thank you for being the pillars of strength and hope in our community."

The installation of the Hope Bells symbolizes the unwavering support and compassion that UPMC Hillman Cancer Center provides to its patients and their families. As these bells ring out in celebration of each milestone, they echo the enduring message that hope and courage are ever-present.

To recognize her visionary Hope Bell project,

The UPMC Hillman Cancer Center in Central Pa. had approximately 40,000 patient visits for medical oncology and infusion in 2023, averaging close to 100 appointments per day. It is one of just 56 National Cancer Institute-designated Comprehensive Cancer Centers in the country, which provides cutting-edge treatment and access to hundreds of clinical trials.
